MRS. FETTERS NOT TO PAY \$1,000 FINE

Writ of Execution Recalled and Cannot Be Levied. Reduction of Sentence By President Complete.

Mrs. Emma Fetter has received a telegram from her attorney Bert Schlessinger that the writ to collect \$1000 fine in the Fetters case has been recalled. The reduction of sentence ordered by President Wilson was complete when he stated that 30 days imprisonment should supersede the original penalty.

Upon the refusal of Mrs. Fetters to pay the fine of \$1000 which the U. S. marshal sought to collect in connection with the penalty imposed upon the resort keeper two years ago by the Federal court at Sacramento for selling liquor to sailors, the government got out a writ of execution to collect the fine by selling the Fetters Springs property which was advertised to go under the hammer. The Fetters had been advised by their attorneys that it was a question whether the officer had a right to make demands under the original penalty which subsequently had been reduced by President Wilson from 9 months in jail and a \$1000 fine to a 30 day sentence. Fetters told the authorities that he preferred to wait and find out whether the demand upon them was bonafide. Attorney W. F. Cowan then filed an action asking a recall of the writ of execution.

Margaret More Oliver, former Sonoma High School teacher, but now wife of a prominent Santa Cruz farmer, came to Sonoma for the Chinese operetta and was the guest of the R. A. Poles. She was warmly greeted by old friends.

Miss Elvira Batchelor of Alameda has been the guest of her mother and brother Elmer.

Postmaster J. D. Wagon and Principal L. H. Golton of the High School were among the prominent Sonoma folks in San Francisco last Saturday.

PROUD DAY IN SONOMA'S HISTORY

Restoration of Mission Bell Ceremonies Last Saturday Was Occasion Long to Be Remembered.

"Be it ever so humble there's no place like home"—this was the homely but beautiful sentiment which Mrs. Lulu V. Emparan expressed for the old Mission bell which she presented to the State of California last Saturday—the old bell which had been exiled so long from Sonoma and whose restoration was marked by a beautiful ceremonial arranged by the Sonoma Valley Womans Club to honor the return to Sonoma of the precious relic and give it into the keeping of the state.

Governor Stephens came from Sacramento to do honor to the occasion. "It is with pleasure said the Governor in his speech that I come today in answer to an invitation extended me by the Sonoma Valley Club to be present at the formal return of one of the San Francisco de Solano Mission Bells.

"I have come as Governor of the Commonwealth of California to emphasize my personal and official interest in the restoration of landmarks of by-gone days in California.

"The old Mission buildings and chimneys of bells, the stories of Junipero Serra and his Padres, are not only of great interest to all who live in California, but are extremely alluring to those elsewhere in the world who have any thought of travel, and who have any desire to come to California.

"Every tourist visits one or more of these Mission relics of other days. Full of romance and history they have an extraordinary drawing power. They are indeed a tremendous asset."

A platform had been erected in front of the old mission and the bell veiled in the stars and stripes. A large crowd of distinguished visitors and guests joined with the local folks in honoring this happy event in the modern history of our Mission.

After a patriotic number by the Boys Band from the State Home, Mrs. R. P. Hill opened the program presiding graciously and with evident joy at the coming of this glad day. The donor of the bell, Mrs. Merritt, daughter of the late Adolph Sutro of San Francisco, formally presented the relic to the Womans Club. Miss Celia Thomson gracefully unveiled it. The president of the Sonoma Valley Womans Club, Mrs. Lulu V. Emparan accepted it in a very gracious and pretty speech quoting at length from Stoddard's beautiful tribute to Mission memories and saying in conclusion:

"And, Mrs. Merritt—we Club Women, living in the shadow of the Mission San Francisco de Solano—the Mission which stands old and gray—that once rang with service and cheer we deeply appreciate the spirit that prompted you to return to our dear old Mission this priceless, old Mission Bell—We accept it in the spirit that it is offered, and may the sight of it hanging here—even if it is silent—stimulate us all, and all passers by—to press forward to perfect ourselves in that finest of all arts—the art of right living.

It is now the pleasure and privilege of the Sonoma Valley Womans Club to present this bell to the State, the present owner of our dear old Mission. And we feel that it will now always be guarded and cared for, and if its tongue could speak, it would tell us that, "Be it ever so humble, there is no place like home."

Donald R. Green of the state Board of Trustees who was here from Sacramento with his wife and two children spoke in behalf of the state, explaining the work of his Board and voicing hope that Sonoma would get better care for her landmarks including the historic Bear Flag site.

Governor Stephens speech was both sentimental and timely. He was given an appreciative ovation. Senator Slater and Mr. Gilbert Weigle of the Mission Restoration Movement spoke inspiring of the great work under way toward the preservation of our priceless heritages in California.

Rev. F. Florian of the faith and order which founded the Mission, a Franciscan father, blessed the bell at the close of the splendid program. The luncheon arranged by the Womans Club and served by Mrs. Steiner of the Union Hotel proved a delightful affair and assemblage for local club women, their guests and out-of-town friends.

Mrs. H. J. Wicker artistically decorated the T. shaped tables in gold and white flowers and as a center piece had a perfect Mission bell fashioned and placed within a gilded enclosure, the effect being most charming and in keeping with the event for which the lunch was given. The menu was delicious and the hour around the festive board most happily spent by all present. Places had been reserved for about fifty guests. Among those present were: Governor Wm. D. Stephens, Dr. and Mrs. Merritt, Donald Green and family.

WEDDING BELLS RANG ON SATURDAY LAST

Miss Marie Helberg Plighted Troth To Leonard L. Thomas at Schellville Home of Her Parents.

Not only did the Mission bell ring off joyously last Saturday but wedding bells rang out also in the valley of the Moon on the 5th instant for Miss Marie Helberg and Leonard Lancaster Thomas. The wedding of this handsome young couple was solemnized at the Helberg home in Schellville and was one of the prettiest June weddings imaginable. The ceremony took place in the evening at 9 o'clock and was solemnized by Rev. Reimer of Napa with all the impressiveness of the Episcopalian faith. Sweet vivacious Miss Helberg was truly beautiful in her wedding gown of white filmy georgette over silk and the wedding veil with real orange blossoms which enveloped her graceful figure. She was attended by her sister, Marguerite, who wore pale blue with here and there a touch of pink and who carried pink roses in contrast to the white rosebuds which formed the bride's bouquet.

The fair manly young groom had as his best man his brother.

The ceremony was performed by Rev. Reimer as the wedding party stood beneath an arbor of pink trailing roses and shiny foliage. Preceding the solemn words which united the young lives, Mrs. Straub of San Francisco sang "At Dawn" followed by the wedding march from Lohengrin. The bride was given away by her father, Fred Helberg.

Mrs. Leland Volquardsen (Valerie Helberg) a bride of last June was present at the ceremony and wore her wedding dress for the occasion. Mrs. Helberg, mother of the bride, was attired in a rich costume of taupe.

Mrs. Fred Helberg Jr. looked charming in her wedding gown, making in all, three bridal costumes worn on this occasion.

About forty relatives and friends participated in the happy event and all joined in toasting bride and groom at the serving of the delicious repast before the young couple departed by auto on their honeymoon.

Many elegant presents were received by Mr. and Mrs. Thomas and the beautiful gifts will grace their home in Stockton where they are to reside.

Bride and groom are from two of Sonoma Valley's old and respected families. They carry with them good wishes of a large circle of friends.

WM. MONTINI WEDS MISS NONELLA AT SAN RAFAEL

Miss Annie Nonella and Wm. Montini were quietly married at San Rafael Monday, the wedding being a surprise to friends. The bride was attired in a blue tailored suit with hat to match. The couple were attended by Mr. and Mrs. R. Bassi.

The bride is the daughter of Mr. and Mrs. S. Nonella of El Verano. For the past year she has been making her home with her sister, Mrs. Bassi of Hicks Valley. She is a sister of Mrs. R. Anderson, Dora, Mabel, Eleanor, Frank, and Fred of San Francisco, America, of Monterey Mrs. C. Crevelli of Sonoma and Mrs. R. Bassi, Mrs. E. Bunda and Paul Nonella of Petaluma. She is a sister also of the late Sylvester Nonella who died at Camp Fremont.

Mr. and Mrs. Anselmi are residing in the Dal Poggetto block where they have gone to housekeeping.

The Ladies Aid Society of the M. E. Church will meet in the church parlors on Thursday, June 17, to be entertained by Mrs. Culbertson and Mrs. Barr. Members and friends are all welcome.

Mrs. Cooper, mother of the popular Grammar school teacher, spent last Saturday visiting friends in S.F. Mrs. J. Coops went down to San Jose last Saturday.

Mrs. Walter Gaige is here from Richmond in attendance upon her father, Mr. Chance of El Verano who has been quite ill.

Russel Prestwood and Cleve Pickrell, his uncle will be here tonight for the N. S. G. W. ball.

Mr. and Mrs. Watt and Mrs. Wicker are to take a trip to Hollister.

HIGH SCHOOL SCORES SUCCESS IN OPERETTA

Feast of Little Lanterns Was Artistic and Musical Gem and Reflected Great Credit on Miss Poppe and Her Class.

"The Feast of the Little Lanterns" as presented by the High School last Friday night under the direction of Miss Emilie Poppe, who supervises music at the school was a credit indeed to both the talented pupils and their teacher.

Kennon Gilbert, high school art director produced a beautiful, hand-painted background with snow-crowned mountains, a blue sky with fleecy clouds, graceful and pretty trees, a Chinese pagoda, a blue lake, and a winding stream with a rustic bridge. William Keiser, chief mechanician worked with Donald Prestwood, Spencer Merz, and Harry Dwyer.

Nancy Griffith, Angela Marnori and Geraldine Evans sang and danced beautifully.

Too much praise cannot be bestowed upon Miss Poppe for the musically good work she is doing at the High School.

The Boys' Glee Club scored a big hit and the High School orchestra's efforts elicited hearty applause. The boys band has just made a beginning and with proper practice and encouragement will be a big asset to the school. This was the young musicians first concert appearance.

MISS HELEN FORNI IS BRIDE OF HENRY ANSELM

A quiet trip to Oakland last week with Mr. and Mrs. Walter Steurner resulted in the happy announcement of the wedding in that city of Miss Helen Forni and Henry Anselmi.

The same Judge who tied the knot for Mr. and Mrs. Steurner, officiated at the wedding of the pretty Vineburg girl and Sonoma's popular painter.

After a short honeymoon, the newlyweds returned to Sonoma and were given a jolly chivari by their many friends.

The bride is the accomplished and beautiful daughter of Mr. and Mrs. E. Forni of Vineburg and was for some time in the employ of Batto & Son as book keeper. She is a capable and bright young woman.

Mr. Anselmi is the son of Mr. and Mrs. B. Anselmi, pioneer Sonoma residents and is employed by Fred Bulotti, the painter and decorator.

The Evolution of a Dollar

A DOLLAR spent in the purchase of a tire is well spent, but it is spent just the same. The same dollar invested in a tire security will bring constantly increasing returns. Look up the records of the most conservative Rubber and Tire Companies. Their dividends in money and stock have exceeded the greatest expectations. TIRES are the solution of many transportation and freight problems which have become less and less serious as motor transportation has been improved.

97% of the tires used in the United States are manufactured in the East. 12% of these are used on the Coast. The saving of interest on investment in Raw Rubber and Cotton Fabric in transit, the saving in freight to the East and on manufactured product to the West is sufficient to substantially add to dividends.

THE CAPITAL STOCK OF THE COAST TIRE AND RUBBER CO. consists of 50,000 shares of 8% participating preferred stock of a par value of \$10.00 per share; and 50,000 shares of common stock of a par value of \$10.00 per share. Both classes of stock are being sold and issued as fully paid and non-assessable.

County Engineer Gets in Wrong With Sonoma Farm Center

When County Engineer Aldrich answered the Sonoma Farm Center's sharp criticism of Sonoma Valley roads, he evidently got in wrong with his critics, for they have taken issue with Mr. Aldrich and his findings in regard to the state of our thoroughfares. Aldrich says he made a personal tour of our roads and found them so much better than in some parts of Sonoma County, that they were veritable "boulevards." Now the Farm Center wants to know who put the "ball" in boulevard. Mr. Aldrich, being a technical man, must know what he is talking about but perhaps he is not as convincing as he might be. As a county engineer, he may be a whirlwind but as a canny lawyer, the Farm Center thinks he is a joke.

The Farm organization members look sad since hearing from Sonoma County's engineer. Blue prints and prints of the blues are sadly mixed.

THE HIGHEST COURT in the United States has declared the Prohibition and Enforcement laws valid, after some months of speculation on the part of the people as to just how the new laws would hold water when subjected to the test of the last judicial resort. That they have held water and that water and water alone must be indulged in by the law abiding, health and pleasure seeking American, is the mandate. Furthermore those who are not Americans, but simply guests or strangers in a strange land, must abide by these laws when within the confines of the "land of the brave and the home of the free."

We see no reason, after the findings of the federal courts on the liquor question, why almost any laws may not find themselves written into the constitution of the United States.

THE SHORTRIDGE for Senator party found considerable sentiment in Sonoma Valley in favor of Mr. Shortridge's candidacy. Sam is a brilliant orator and if you believe in him, he does on the League of Nations question, you will be casting your vote for an excellent man. The Shortridge family and the Index-Tribune's founder were old friends in the old days and we are pleased to commend Mr. Shortridge's candidacy.

JUDGE BURNETT ENDORSES ROLPH THOMPSON

Justice Albert G. Burnett, of the Appellate District Court at Sacramento, formerly Superior Judge of this County, has endorsed Rolph L. Thompson's candidacy for Superior Judge, in the following language:

"I do not know of anyone in the State of California who, I believe, is better than R. L. Thompson, in character, ability and industry, to discharge the important duties of the office of Judge of the Superior Court. I should consider the people of Sonoma County fortunate if they should secure his services in that position. I say this without any derogation from the qualifications of the incumbents, for whom I have the highest respect."

ALBERT G. BURNETT, Associate Justice, District Court of Appeal, away.

PERELLI-MINETTI SUES OVER ESTATE COMMISSION

Complaint was filed in the Superior court today by A. J. Perelli-Minetti, administrator in the estate of the late Frederick Perelli-Minetti, against the Pagani Brothers, to recover the sum of \$1026.58 alleged to be due the estate as commission, the deceased having been a wine maker, selling 89,268 gallons of wine in 1919 for Pagani Brothers. According to the complaint, wine brought 46 cents a gallon or a total of \$41,063.51, no part of the commission having yet been paid.

NAPA AND SONOMA FARM BUREAU VISIT

Sonoma County Makes First Trip Into Neighboring County

Plans are now completed for the Farm Bureau trip into Napa County which is to take place on June 15th. This trip, which is being arranged by the Farm Advisers, Baude of Napa and Weinland of Sonoma County, leaves the Court House at Santa Rosa 9:00 A. M., traveling through Sonoma, taking in points in Napa Valley where Farm Bureau activities are to be seen. The development of rural fire departments, the work of the marketing department, Farm Bureau community halls, electrical station, pruning and tree surgery demonstration work, are some of the things which will be visited. Lunch will be taken in the Salvatore school and supper at the Tupper school, after which the delegation will attend a farm center meeting at Tupper, returning by Calistoga after the meeting. From the reports coming to the Farm Adviser's office a good delegation from many parts of the County will be on hand. An invitation has been extended to the Board of Supervisors to attend this trip and any and all persons interested in agricultural development in Sonoma County are invited to go along.

Eugenie Tate, little daughter of Mr. and Mrs. J. E. Tate of this place has won the Stein trophy cup for the best speller in the Sonoma Grammar School.

DODGES BUY OUT ALL OTHER INTERESTS IN HALL RANCH

Mrs. Dodge and her sons, Neil and Richard, have bought out the interests of all the other heirs of the late Thirza D. Hall in the Hall ranch south of town and are now sole owners of this magnificent orchard property. Mrs. Dodge and son Neil are making their home at the ranch with the former's mother, Mrs. Mary Carter. Neil Dodge has been quite successful in conducting the ranch and has just closed a deal with the Catalina company of San Jose to buy the immense fruit crop which will mature shortly and is worth several thousand dollars. A new dryer has been installed at the ranch by Dodge and the thousand trays will be utilized by the San Jose firm which is to harvest this year's crop, shipping all the high grade fruit and sun drying the remainder.

FORDS WILL KEEP COMING RIGHT ALONG

The following letter received by the local agents, Busby and Coates, will be of interest to all prospective Ford buyers and off-sets all rumors that it is going to be difficult to get delivery on Ford cars:

To All Dealers:
"The Ford Plant in Detroit is now running and has been for some time on a normal basis. Here is the production for five days of one week: Monday, May 17, 3237 cars; Tuesday, May 18th, 3172 cars; Wednesday, May 19th, 3375 cars; Thursday, May 20th, 3767 cars; Friday, May 21st, 3526 cars; with the prospects of gaining a little every day."

It is the Company's intention unless unforeseen conditions prevent to manufacture and deliver their allotment of 1,000,000 cars during the fiscal year, ending July 31st, 1920, so you will understand from this that our production and deliveries for the months of June and July should be at least on a normal basis. The Highland Park Plant have in their employ at this time, between 53,000 and 55,000 men, the Blast Furnace and Body Plant between 12,000 and 15,000 men, the Tractor Plant about 4,000 men, which is just above the normal amount of employees working at these plants.

We have all the steel and materials we require and with shipping conditions becoming normal, there is absolutely no reason on Earth why Ford dealers should become pessimistic in connection with their business.

We had on hand on May 10th, 229,300 unfilled car orders and 7,887 tractor orders.

Do not hesitate to get after the business as the prospects, as stated above, are exceptionally bright for deliveries of tractors and cars, in fact, far in excess of our expectations.

APPLESTULL DISMISSED FROM BOOZE SNIFF SERVICE

E. J. Applestull, said to have an unsavory record before he began his high-handed work as a prohibition enforcement officer and whose spectacular raids and arrogance in Sonoma Valley gave rise to much indignation and criticism, has been dropped from the service. Applestull cut quite a swath as a "boozehound" and was the big apache who descended upon the Union Hotel, Caliente Villa, Fetters, the Depot Hotel and other well known local resorts. In San Francisco his work was as "lumpy" as it was in Sonoma Valley and not long ago he was even accused of the theft of a pair of silk socks in the performance of his duty. Revenue officers finally decided that Applestull's kind were not contributing anything to respect for the laws of the United States and as a result he was given walking papers.

Applestull is said to know considerable about the inner workings of the enforcement game however, and is expected to make some revelations including the lengths to which some Sonoma informers went to interest the enforcement office in raiding Sonoma Valley resorts.

ARRANGEMENTS FOR CONCERT AT AGUA CALIENTE HOTEL SUNDAY, JUNE 20

The details for handling the crowds at the Agua Caliente concerts have been finally worked out and are as follows:

Cars entering the grounds will be assigned parking space on the sides of the driveway and guarded by watchmen during the concert.

Cars arriving during numbers will be given less desirable spots, and no one will be seated while the orchestra is playing.

No reserved seats will be sold children but chairs will be placed for them by usher near parents.

The concert will start exactly at 2:30 and be over about 4:00 p. m.

No tickets will be on sale at Simons Pharmacy or Agua Caliente Post Office after Saturday, the 19th inst. A box office will be found on the Hotel grounds from 12:00 to 2:30.

The orchestra will leave Vallejo in cars early Sunday morning and arrive at Agua Caliente early enough to insure a rest and perfect condition for the concert. A number of Vallejo music lovers will accompany the orchestra from Vallejo and be joined by others at Napa.

OAKLAND TIRE FACTORY PROMOTER HERE

M. H. Owen, representing the Coast Tire and Rubber Company has been interesting many prominent Sonoma Valley people in the attractive investment which the manufacture of tires in the Oakland factory offers. Work has already started on the plant. About 3,000,000 tires are used in California each year and more all the time. The freight saving on crude rubber, most of which passes through the port of San Francisco, the freight saving from Ohio where tires are now made and the superior advantage of California grown cotton for fabric, makes the future of the Coast Tire and Rubber Co. of Oakland assured.

SONOMA BUSINESS MEN WANT BETTER ROADS AND AUTO PARK

At a well attended meeting of the Sonoma Business Men's Association Monday evening, it was decided to endorse the Sonoma Farm Center's appeal to County Engineer Aldrich to get better roads for this section.

An auto camping ground was discussed and a committee, consisting of Messrs E. J. Harris, W. W. Carter and Otto Wagner were appointed to look up available sites.

President Cleve named the following members to act as a Fourth of July committee: Messrs A. Stein, W. L. Murphy, E. J. Harris, John Mohr, H. Watters, Rea Hunter, A. W. Adler and J. Harris. Any proceeds from the celebration other than that made by the Womans club will be turned over to the Plaza beautification committee.

Miss Minnie Hamilton has been up from Berkeley visiting at the Adler's.

SHOWS APPRECIATION OF BOYES SPRINGS CHEMICAL ENGINE AND ITS CHIEF

R. B. Swayne whose beautiful country home Glen Oaks near Glen Ellen caught fire and would have been destroyed but for the splendid response of volunteer fire fighters including the dependable chemical engine of Boyes Springs has shown his appreciation of the valuable service rendered by forwarding his check of \$50 to the Boyes department and also making a personal gift to Chief Cause, Captain of the "Little Red Devil." He wrote a beautiful letter commending the department and the interest of Mr. Cause.

The Boyes Springs people are now figuring on getting a second chemical engine so that when they are called for valley service one of the Little Red Lups can be in the fire house at Boyes for the protection of the Springs.

CITY SIGNS CONTRACT WITH ENGINEERS

At a meeting of the city trustees Wednesday evening the contract between the city and its street work Engineers, Howe and Peters was formally signed. The amount to be paid Howe and Peters for their services is \$3250 which includes attorneys fees.

The preliminary surveys have been underway here this week on our streets and all data will soon be ready for the advertising of bids. A contract to furnish gravel was made ready for the signature of J. Bianchini of Sonoma Grove.

S. W. Smith of the Asphaltum department of the Standard Oil addressed the City Trustees on the merits of asphaltic concrete streets which was the type of pavement viewed in Kings County by the Sonoma committee who reported very favorably upon it.

Figures on this pavement and the cement concrete type are to be asked for in the notice to bidders.

MR AND MRS. SAM SEBASTIANI CELEBRATE 16th ANNIVERSARY

Mr. and Mrs. Sam Sebastiani celebrated their 16th wedding anniversary last Saturday night. The handsome new home which is ideal for entertaining was the scene of the happy event which was participated in by many relatives and a few close friends. The guests were treated royally by the host and hostess. There was music, dancing and a fine repast. Mr. Sebastiani and his wife were heartily congratulated and were the recipients of many, handsome presents.

Miss Edith Pooley, the piano teacher, presented her pupils in an excellent recital last evening at the Hunter-Langer home. It was given for the parents of those comprising Miss Pooley's piano classes.

Rev. Isaac Cookman is driving a cherry colored Oldsmobile. Friends of the popular pastor declare that Boyes Springs can have its "little red devil" (the chemical engine) so long as Sonoma has its "little red Angel."

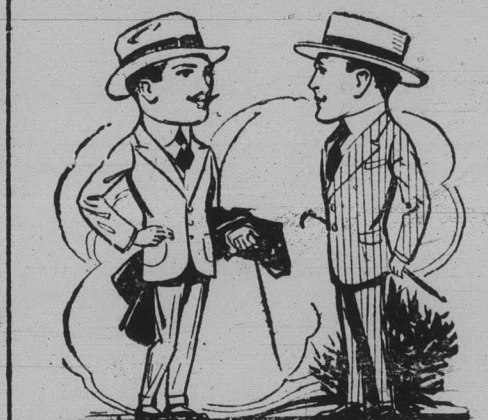

Mr. and Mrs. H. P. Bates motored to San Jose Tuesday to bring Miss Zolita Bates up from the University of the Pacific for the summer vacation.

ANOTHER RAID STAGED AT BEHEST OF WISE ONES

Another raid was staged at Fetters Tuesday night by four enforcement men. Nothing was found, but the periodical on-laught was pulled off once again to satisfy the officious Sonoma complainants who keep the mail hot between here and the enforcement officer's office in San Francisco. The place was searched from stem to gudgeon, but revealed no contraband. The revenue officers admitted that the tips given them were getting tiresome.

Mr. and Mrs. Tom Millerick were presented with a 7 1/2 pound cowboy this week. Mother and child are doing well.

Mr. and Mrs. W. T. Studley who sold their place have been moving to the Chester Studley farm, formerly the Sol Carriager place east of town.

Out of the more than 3,000,000 Ford cars now in use, about sixty percent have been sold to farmers. Probably no other one thing has brought to the farm so much of comfort and profit as has the Ford car. It has enlarged the social life, doubled the facilities for marketing, brought the town next door to the farm, multiplied for the farmer the pleasures of living. A family car without an equal in low cost of operation and maintenance. We solicit your order for one now because the demand is large and continually increasing.

ROYAL BAKING POWDER

Absolutely Pure

Plain Pastry
This recipe is for one large pie with top and bottom crust:
2 cups flour
1/2 teaspoon salt
2 teaspoons Royal Baking Powder
1/2 cup shortening
cold water
Sift together flour, salt and baking powder; add shortening and rub in very lightly with tips of fingers (the less it is handled the better the paste will be). Add cold water very slowly, enough to hold dough together (do not work or knead dough). Divide in halves; roll out one part thin on floured board and use for bottom crust. After pie is filled roll out other part for top.

Rich Pastry
2 cups pastry flour
1/2 teaspoon Royal Baking Powder
1/2 teaspoon salt
1/2 cup shortening
cold water
Sift flour, baking powder and salt; add one-half shortening

and rub in lightly with fingers; add water slowly until of right consistency to roll out. Divide in halves; roll out one half thin; put on in small pieces half remaining shortening; fold upper and lower edges in to center; fold sides in to center, fold sides to center again; roll out thin and put on pie plate. Repeat with other half for top crust.

Apple Pie
1 1/2 cups flour
1/2 teaspoon Royal Baking Powder
1/2 teaspoon salt
2 tablespoons shortening
4 apples, or 1 quart sliced apples
2 tablespoons sugar
1 teaspoon milk
Sift flour, baking powder and salt; add shortening and rub in very lightly with tips of fingers. Roll half out of pie plate; fill in apples, which have been washed, pared and cut into thin slices; sprinkle with sugar; flavor with cinnamon or nutmeg; wet edges of crust with cold water; roll out remainder of pastry; cover pie, pressing edges tightly together and bake in moderate oven 30 minutes.

**Pull Together for an
American Merchant Marine**

The war resulted in the creation of a great merchant marine—10,000,000 tons of American ships which cost us \$3,000,000,000.

Everybody agrees that we must keep this fleet on the seas.

If we fall back to pre-war conditions—when only 9 per cent of our foreign trade was carried in American ships—We shall be in the position of a department store whose goods are delivered in its competitor's wagons.

Congress is considering legislation which will perpetuate our war-built merchant marine.

Until this is done the ships we have should not be sold to face conditions which, prior to the war, resulted in the decline of our merchant marine to insignificance.

This Committee calls attention to these facts because a right solution of our shipping problem is vital to the future prosperity of shipbuilding, but equally vital to the safety and prosperity of the nation.
